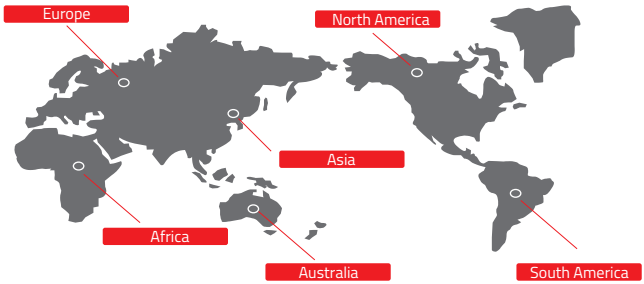
SHANGHAI FAR EAST CO.,LTD

Shanghai Far East Co., LTD. (referred to as "FAREAST") was founded in 2002 by Mr. Lu Weifeng, who has won the world champion of "World Navigation Model Competition" for three times. FAREAST has developed Fareast 28R which is a 28-foot-long keelboat and recognized by World Sailing since 2015.

At present, FAREAST has successfully provided sailboats and on-site serives for nearly 100 international and national events, and run the operation and management of commercial events in 2014 by hosting about 10 sailing regattas every year.



To date, FAREAST has supplied more than **23,897** sailing boats around the world
